

Yorkshire Housing

Sector: Social Housing

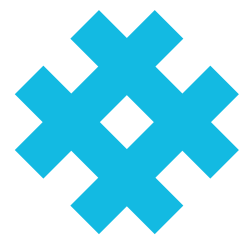

Equipment: Laundry

As a registered social landlord providing many sheltered housing and extra care schemes throughout the county, Yorkshire Housing knows the importance of efficient laundry facilities more than most.

JTM has built a long standing partnership with Yorkshire Housing, supplying professional laundry equipment together with expert service solutions which keep laundry rooms across the organisation running effectively and efficiently.

"Yorkshire Housing has been using JTM as a laundry equipment supplier for many years. Their customer service has remained consistently excellent and any issue we have had has been rapidly responded to. I wouldn't hesitate to recommend JTM to others."
